

Welcome to 1st Grade

Dear Parents,

We are excited about the 1st grade handwriting program we are using. Handwriting Without Tears® (HWT) is a simple, developmentally based curriculum with multi-sensory lessons designed to teach to all learning styles. The unique materials and appealing workbooks eliminate problems with letter formation, reversals, legibility and sentence spacing.

Capital letters are reviewed at the beginning of the program. They are the foundation for lowercase printing. The 1st grade student workbook, *My Printing Book*, emphasizes printing lowercase letters correctly and using them in words and sentences. Number formations will also be reviewed and practiced.

The attached chart shows you how to make the letters and numbers. We are excited about helping your child develop good handwriting skills.

Sincerely,

P.S. If you would like more information about the Handwriting Without Tears® 1st grade program, visit the Handwriting Without Tears® website: www.hwtears.com.
